The meeting was Chaired by the Chief of Staff to His Excellency Professor Isa Usaini Marte and started at 10:00 a.m. with an opening prayer by Alh. Dr. Bulama Mali Gubio.. Welcome address was presented by the Permanent Secretary Ministry of Finance, Budget and Economic Planning, Hajiya Maryam Shehu who stated that the purpose of the meeting was to give opportunity to citizens to interact and give the inputs for the 2022 Budget processes. A member of people

with disability was invited to interpret with sign language for deaf and dumb. She also informed the participants that the budget will consist of three (3) years Medium Term Expenditure Framework (MTEF). A key note address was presented by the Hon. Commissioner of Finance, Budget and Economic Planning, Alhaji Adamu Lawan. In his presentation, he mentioned that the fundamental issues to be considered in the 2022 Budget are various expectations from the stakeholders. Therefore, the Ministry for Finance and Economic planning team are here to consider all meaningful inputs to be contributed to produce the 2022 budget in line with international best practices. His Excellency the Executive Governor ably represented by the Chief of Staff to His Excellency Professor Isa Usaini Marte read the His Excellency's speech. In his speech, he mentioned that this administration clearly demonstrated Government commitment to the citizenry and to ensure transparency in its policy thrust. He further said that Government gave priority to education and health by allocating a huge percentage to the two sectors in 2021 and therefore expect same in the 2022, equally agriculture, road construction and water supply etc. to be given adequate attention.

The Chief of Staff also said nine (9) Local Governments Areas three (3) in each Senatorial District have been targeted for urbanization and should be given consideration in terms of road construction, water supply, and electricity supply and internet connectivity. He further emphasize the need to operate within the framework of the State Development Plan (SDP) and Strategic Transformation Initiative (STI) as the annual budget is the only means of implementing such plans.

Other government policies geared towards attracting foreign investment, job and wealth creation especially investment in agriculture towards attaining food security and self-sufficiency are also to be given adequate attention.. The Chief

of Staff also stated that the Town hall meeting is the best forum for citizens to voice out their demands to be included in the State annual budget.

A SUMMARY OF INPUTS SUBMITTED BY CITIZENS

1. Representative of His Royal Highness the Shehu of Borno.

The District Head of Dusman spoke about Climate change and the receding Lake Chad, environmental degradation resulting into high level of poverty in the region. He therefore want the State to revamp technical and vocational education to equip youth with skills to make them self-employed.

2. The Chairman Network of Civil Society Organizations.

The Networking for Civil Society Chairman Ambassador Ahmed Shehu ably represented by the Chairman Network of Civil Society Borno Comrade Bulama Abiso mentioned that the Network for Civil Society and Community Based inputs about fifty (50) different projects that were captured in the last year's Budget and twenty (20) of those projects were actualized. He went on by saying that the three (3) Senatorial Districts came-up with inputs as compendium to Borno Budget. He applauded the Government by paying Local Government Pensions, death gratuities and 50% from grade level 01-09 also over 300 next-kin were paid. He finally urged the Government to consider the following: - Annual yearly increments, Leave grant of 2 years, and promotion of 4 -5 years. He said now the NLC is working with aid workers to come-up with comprehensive documents to Hon. Commissioner Finance for Budget implementation in 2022

3. Representative of people with disability.

The group spoke through Alhaji Adamu Bukar and put up a request for the construction of quarters for the disabled as they are often being discriminated by

some landlords when looking for house rents. A representative of people with disability, ably represented by Mohammed Abubakar thanked the Borno State Government for attending to their needs by providing N30,000 each to 500 members especially during the lock down period and the renovation of School for the blind at Gamboru –Ngala Road.

4. Representative of Women Group.

The women folk needs training equipment and instructors for skill acquisition in all centres in the State.

Renovation and reintegration of all women Development Centres of all the twenty seven (27) Local Government Areas.

Establishment of Sexual Assault Rehabilitation Centre (SARC) in the three Senatorial Zones. To maintain the Centres they need.

- i) Consumable items.
- ii) Dignity kits.
- iii) Hygiene items.

SARC Centres are important due to the increased number of SGBV we have in the State. Women Development Centres are equally important as IDPS are returning to their ancestral homes, and empowerment and livelihood support is necessary especially the child mother (Adolescent married girls).

Renovation and rehabilitation of the Kaga tie and dye Industry at Bensheik and the Bama Cottage Industry will help the returnees if they have trained instructors at the two (2) Industries.

5. Representative of Youth Group. Spoke of the need to create employment to our teeming youth who are graduating from various institutions of higher learning.

Finally, he urged the State Government to do the same to other Schools of the disabled. He then presented a written document to the Hon. Commissioner of Finance, Budget and Economic planning. A Women Groups representative, Hajiya Yagana Alkali thanked the Government for carrying the women along in this regime by providing them with Palliatives. She pleaded with Government to help them with shelters, empowerments and sustain the same to enable them train their Orphans. The Nigeria Bar Association representative Barr. Yahaya Bulama narrated their partnership with Borno State Government. They give Government legal advices through the office of the Attorney General of the State. He extended his advices to the Government to look into internally generated revenue to complement the effort of Federal Allocation Account Commission (FAAC) which is over stretched. Finally, he appealed to the Government to provide welfare packages to the Lawyers in the State, such as Car Loans, Allowance to boost their morale and also to employ more judicial staff. In a closing remark by the representative of the Hon. Speaker House of Assembly, Hon. Mohammed Abdul, commended the efforts of His Excellency for approving this meeting to be organized involving all citizens to enable Government capture their inputs which make development possible using the bottom top approach and promise that the passing of Bills for the disabled and that of the Budget will not experience unnecessary delay. A Vote of thanks was delivered by the Acting Permanent Secretary Department of Budget and Planning Mr. Bukar Ali Malgwi. He thanked all the participants and wish them safe journey back to their respective destinations.
