# 1 Summary of Performance

## 1.A Introduction

This Budget Implementation Report for Borno State is prepared quarterly and issued within 30 days from the end of each quarter.

This report includes the original approved budget appropriations for the year 2025 against each organizational unit for each of the core economic classification of expenditures (Personnel, Overheads, Capital, and Others); the actual expenditures for the quarter Q2, attributed to each organizational unit, as well as the cumulative expenditures for year to date, and balances against each of the revenue and expenditure appropriations.

This Q2 report is assessed against the 2025 Revised budget.

The core economic classifications, as per the National Chart of Accounts (NCOA) refer to:

- Revenue – Economic Account Type 1
- Personnel Expenditure – Economic Sub-Account Type 21
- Overheads Expenditure - Economic Account Class 2202
- Capital Expenditure - Economic Sub-Account Type 23
- Others Expenditures (covering Loans, Grants and Contributions, Subsidies, Debt Service and Transfer Payments) - Economic Account Classes 2203-2209 as applicable

This report includes, in sections 4 and 5, detailed reports on Primary Healthcare and Basic Education expenditures, respectively.

This Budget Implementation Report is produced by the Ministry of Budget and Planning and published on the [www.pfm.bo.gov.ng](http://www.pfm.bo.gov.ng) State website.

## 1.B Revenue Performance

The Total Recurrent Revenue performance in the 2<sup>nd</sup> Quarter was N54,507,733,318.62, which is about 35.2% of the targeted annual revenue in the 2025 budgetary provision. This remarkable achievement is due to improved revenue collection methods by deploying technology and reducing manual collection in all MDAs responsible for collection. The total IGR generated by the State is N8,945,235,809.68, representing 56.3% of the annual targeted IGR in the 2025 budgetary provision. Despite this milestone being achieved, the government is consolidating efforts to improve on the figures generated so far.

Aids and Grants revenue realised under the Q2 period is **N5,405,959,529.11**, this is quite low compared to the total target of **N105,240,348,000.00** in the 2025 budgetary provision. This is due to withdrawal or low funding of projects by the Federal government, Local and International Partners.

Moreover, some MDAs have significantly underperformed because of the low level of inflows from partners, while some have also overperformed due to the revenue collection method, which reduces a lot of linkages against their revenue line items.

Hopefully, this will be improved in Q3 as measures are being taken to tackle all challenges that resulted the low capital receipt realisation.

## 1.C Recurrent Expenditure Performance

The 2<sup>nd</sup> quarter recurrent expenditures is in line with the current administration's policy of paying Salaries and Pensions as at when due, thus monthly payment of Salaries, Pensions, Gratuity arrears and regular release of Overhead Costs to MDAs has continued, showing that the Actual recurrent expenditure recorded as at the end of Q2 2025 was N31,056,007,109.28 (Thirty-One Billion, Fifty-Six Million, Seven Thousand, One Hundred and Nine Naira, Twenty-Eight Kobo) representing 26.4% of 2025 Budgeted figure. The recurrent expenditure comprises Personnel cost of N10,718,390,476.51 representing 39.4%, Overhead cost of N 17,519,986,661.15 representing 20.3% and other recurrent costs representing about 20.9%. However, more efforts need to be made to improve the performance in respect of social contribution in the 3<sup>rd</sup> QTR.

## 1.D Capital Expenditure Performance

The Actual Capital Expenditure Performance for the Second Quarter (Q2) 2025 is N40,113,733,609.20 (Forty-Billion, One Hundred and Thirteen Million, Seven Hundred and Thirty-Three Thousand, Six Hundred and Nine Naira, twenty kobo), representing 24.3% of the 2025 budgeted figures. The low performance is a result of low Capital inflows from budgeted sources and other peculiarities of the State.

An amendment was made in the revised budget for Q3 2025 to cater for the overspending on both recurrent and capital expenditure of Q1 and Q2 2025.

## 1.E Conclusions

The Second quarter (Q2) 2025 Actual Recurrent Revenue and Actual Recurrent Expenditure Budget Performance indices are on the high side, signifying a positive trend. However, the State Government will address the lapses and put measures to improve areas on the low side and enhance the performing sectors. The deployment of modern ICT hardware and software for the state financial information system will adequately correct and improve all inaccuracies and delays in financial reporting and budget performance tracking.

## 4 Primary Healthcare Budget Performance

### 4.A Overview

In Q2 2025, Primary Healthcare has so far recorded 14.6% of their total allocated expenditure budget amounting to N6,650,652,509.35 (Six Billion, Six Hundred and Fifty Million Six Hundred and Fifty-Two Thousand, Five Hundred and Nine Naira, Thirty-Five kobo). This reflects the sector's sustained commitment to accessible, community-based health services, indicating effective budget forecasting and controlled spending within the sector.

A summary of the performance Year to Date (YTD) against the original budget is provided below for the main economic classifications of expenditure, and YTD against the programme segment (Objective level).

**Figure 2: Summary of Primary Health Care Budget Performance for Quarter and Year to Date**

## 5 Basic Education Budget Performance

### 5.A Overview

In Q2 2025, Basic Education has recorded 7.2% of their total allocated expenditure budget amounting to N 513,347,353.05 (Five Hundred and Thirteen Million Three Hundred and Forty-Seven Thousand, Three Hundred and Fifty-Three Naira, five kobo). Due to low level of inflows from partners and the peculiarities of the state, the Q2 2025 under this sector recorded low performance.

A summary of the performance Year to Date (YTD) against the original budget is provided below for the main economic classifications of expenditure, and YTD against the programme segment (Objective level).

**Figure 3: Summary of Basic Education Budget Performance Year to Date**
